### **ASHFORD ALLOTMENT SOCIETY CONSTITUTION**

Following our Annual General Meeting on Wednesday 27th January 2016 it was agreed unanimously that the draft Constitution and Rules for the Ashford Allotment Society should be formally adopted, so this document is now in use and will be subject to any minor changes annually at the AGM.

### **ASHFORD ALLOTMENT SOCIETY OFFICIAL WEBSITE**

The new website is now on line thanks to Jonathan Goodwin who has been responsible for its construction and he will also take over the role of Website Manager (subject to formal approval at our next committee meeting). Please take a look at the new website here .... <http://www.ashfordallotmentsociety.org/>

Please also spread the word about the new website, and if you would like to contribute let either Jonathan or Penny Winston (Chair) know and we will be pleased to include an article subject to protocols and suitability.

It is anticipated that the new allotment website will be linked to that of the council website directing people to our site and allowing new features and information to be available to a wide range of people whether existing tenants or those wanting to find out more about allotment gardening.

Each month there will be a '*What to do on your Allotment*' feature and a recipe for produce available that month.

I also want to include a '*Places of Interest to Visit*' with an information sheet updated for special exhibitions that are being shown or gardens with seasonal speciality as well as other new features.

I hope you find the new website interesting and helpful and any comments or ideas are always valued.
