Plot judging 2016

Has now taken place and all those with winning plots will be notified and invited to receive their certificates at the Summer Show (see further details below) It was good to see so many beautifully kept plots despite the wet conditions we have all experienced. However there are also plots which are not being cultivated and these not only look unsightly but risk the spread of weeds for the site. Please do all you can to bring your plot up to a good standard. Many thanks to all who assisted in the judging process.

The Summer Show 2016 Saturday 16 th July

I am sure that we will have a great afternoon and if it is sunny we can enjoy the school grounds and admire the children's newly constructed vegetable garden.

If you need a copy of the show schedule: please see the website.

Paper copies will be available at the Trading Store on July 9 th and on the day.

If you have any questions please do contact me.

The Trading Store

At the moment if it is quiet we have been closing at 1.00 pm so if you need our goods make sure you get along before then to be sure of finding us open .

We have plenty of good quality items still in stock at reasonable prices.

We are open on 9 th July and 30 th July this month.

I look forward to seeing as many of you as possible on July 16th.
